Para 1: English is called an international language, but there are quite a few varieties of English that exist around the world. English originated in England, but soon English spread to other countries, and different varieties of English began to exist. Today, the countries in which English is spoken can be divided into three groups.

Para 2: The first group is made of those countries where English is the primary language. These are countries like England, Canada, the United States, Ireland, Australia, and New Zealand. There are more than 380 million native speakers of English in these countries alone.

Para 3: There is a second group of countries that have their own varieties of English. Their histories have been directly influenced by one of the early English-speaking societies. They use English in various important ways within their own government and everyday life. India, Malaysia, the Philippines, and Kenya are examples of this group. The total number of speakers in this group is in the hundreds of millions.

5. England, America, Canada, Ireland, Australia, and New Zealand are countries where _____ people speak English as a foreign language.

Comprehension check:

Land of Bicycles /Holland/ Holland is also known as the Land of Bicycles. There are more bicycles than residents in the Netherlands and in cities like Amsterdam and the Hague up to 70% of all journeys are made by bike. Cycle lanes are clearly marked. They have smooth surfaces, separate signs and lights for those on two wheels, and are wide enough to allow side-by-side cycling and overtaking. Cycling lessons are taught to school children. All schools have places to park bikes and at some schools 90% of pupils cycle to class.

13. The sentence "Cycling lessons are taught to school children." is an active sentence. T F
 14. Every school has places to park bikes. T F

READING.

Read and choose the correct answers for the following questions.

An International Family

Pierre and Maria have a great marriage and two wonderful kids: Paola, age 3 and Andre, age 5. Pierre is French and comes from Paris. His wife is Spanish, and she is from a small town in the south of Spain. The two have a house in Madrid, but at the moment they are living in Athens, Greece. They are both working for an international bank there, but they have plans to move back home soon. Paola and André are currently living with their French grandparents in Paris. Pierre's parents are both retired, so they can dedicate all their time to their grandchildren. Pierre has got a twin brother Alain, who is an Air France pilot. He is single but has got an Australian girlfriend, Kate, who is a fashion model for a famous Parisian designer. Maria's parents live in the Spanish countryside. Her father is an English teacher, and her mother is a hairdresser. Maria has got two younger sisters: Valeria and Ana. Valeria is still a student. She is studying to become a dentist. She is engaged to Pavel, a Polish painter from Warsaw, and they are living in London for now. After the wedding they intend to move to Warsaw. The other sister, Ana, lives in the United States and, for the time being, she is working as a waitress. But her dream is to become an actress. She is divorced and she is in no stable relationship at the moment. This very large international family get together every year. They all meet in Paris to celebrate Pierre and Alain's birthday on the 6th of July. It is quite a party, as you can imagine!
