Dear Ann

How are you? I'm fine. I'm very busy lately with my school and hobbies. I have football practice twice a week-very Monday and Thursday afternoons. I am good at playing football. Each practice takes two hours and then I have to go home and do my homework. Every Friday we have a math test. So I have to study hard for the exam after my football practice on Thursday. I'm quite good at math but I still need to study hard. On Saturday evenings, we like to watch football games on TV. I'm a big fan of football. My father also likes to watch the games. My mother sometimes watches with us. But she doesn't like football much.

Yours, Alex
